North Ridgeville, Ohio

Alma Mater

*Sing a song for Ridgeville High School;
Let our voices ring with glee.
Fling away all cares and sadness;
Sing with spirit glad and free.*

*Bigger, better, busier Ridgeville,
Be the song of young and old.
Bigger, better, busier high school,
'Neath the Blue and the Gold.*

Foreword

We, the members of the annual staff, wish to present a few cherished memories of the 1963-64 school year. During the year many eventful things have happened, and we hope that we have captured them for you within these exciting pages.

Ridgeville High School means so much to all of us. It is a very important part of our lives. It is shown through scholastic achievement, the touchdowns we have cheered, the captivating music and festive decorations for our dances, and school spirit shown at pep rallies and various school activities.

In the future years, you find that this book will be among a few of your most unforgettable memories.

Superintendent of Schools

The Class of 1964 has risen to its heights. Some of you will immediately enter into the business of learning a livelihood, others will continue to study at various schools of higher learning. I hope that whatever your goals may be that the education received in Ridgeville Schools will find you a place in a Society and that you will contribute to this Society. Even though the highway of life may seem to be rugged we hope this preparation will enable you to go forward to achieve your ambitions.

Congratulations and best wishes to all of you — the Class of 1964.

J. F. Zack

Principals

TO THE CLASS OF 1964:

A milestone has just passed in your life. High School is behind you now and the whole world full of challenges lies ahead for you to conquer.

We hope that you have left Ridgeville High with the necessary tools to do the job and wish you the very best of success.

Ridgeville is proud of you and we hope you are proud of your high school. Carry your pride on your shoulder and display it wherever you may go.

CONGRATULATIONS!

The Home Ec Club under the supervision of their advisors, Mrs. Nichols and Mrs. Sloan, and president, Carol Stroud, have put forth their efforts to expand the interests of the club. During their meetings this year, they have had many guest speakers. They brought happiness to many needy families by donating a basket of food to each. In future years there will be many happy families because of the Home Economics Club.

R.H.S. presents their new band director
Mr. Marvin Rinker

The band had a new outstanding look, which stood out in their superb performance at the 1963 Parade of Bands and at the Kent State University football game. They have enthusiastically attended all ten Ridgeville football games and showed their overwhelming precision marching during each half-time show.

After the football season had departed, the band opened an all new concert season which amazed all. They presented deversified shows and marched in the various parades throughout the '63-64 school year.

Mr. Schumacher
Mr. Fortune
Mr. Gillooly, Head Coach.

Coach John Gillooly's charges posted a 1-win, 8-loss, and 1-tie record for the 1963 football season. This was not a true indication of the strength of the Rangers as they were involved in several very close games.

Grid rivalry was renewed with Elyria Catholic, and after playing on even terms the early part of the game, the Rangers faltered in their bid to close out the season successfully.

Losing only six seniors, next years Rangers could be the darkhorse in the Lakeland Conference.

Ann Randall Crowned Queen

Homecoming "63" was an enjoyable event for Queen Ann and her court.

Ann Randall was announced as the Homecoming Queen at the bonfire pep rally the night before the game. Sue Schroeder, Terry Crabeels, and Karen Lyndes were Senior Attendants. Underclass attendants were: Junior, Donna Balas; Sophomore, Betty Kessell; and Freshman, Karen Walsh.

Queen Ann was crowned by "62" Queen Rita Myers and was escorted to the "Autumn Leaves" Dance by Dwight Bridge.

Today candy-strippers, Tomorrow nurses. Yes, in the future these F.N.A. girls will become our nurses. In the past year, under the direction of Miss Lyngso and Barb Webster, President, they have strived for this achievement by helping out in the first aid room and visiting the different hospitals. These girls have and will continue to keep our nation and its people a healthy place to live in.

From this club many new teachers will be brought forth throughout the year. The F.T.A. members substituted for teachers so that they would be able to see what this field requires. If you plan to be a teacher, patience and understanding must be developed between you and your students.

Under the direction of the advisor, Miss Becker and president, Carole Krueger, there were many activities carried out. They sponsored the Senior Teaching Day, N.E.A. week and an array of others that stressed the importance of education.

Practical experience for future teachers.

The Aristocrat

The Aristocrat staff has really been on their toes this year collecting all the informative news of the past year. The articles were very well edited by the advisor, Miss E. Kalter and editor Hellen Ross. The paper has now been in publication 39 years, during which it has been well-known and read by all the past and present students. We hope that the Aristocrat will be able to continue in the future as it has in the past.

Carousel Staff

Annual staff preparing '64' annual.

This year our annual staff has been working steadily toward making a bigger and better yearbook than in past years. We have enjoyed working on it with our advisor, Mr. Parks and editor, Linda Vencel. A lot of time and energy has been put into this book to make it possible for you and your friends to reminisce through the outstanding events of the past year. We hope you will enjoy looking through this yearbook as much as we have enjoyed composing it for you.

This year the Dramatics Club has been working to put forth many new actors. They had one meeting a month set aside as a program meeting. At this meeting, the knowledge of this wide field of drama was put into the minds of every member. Under the direction of their advisor Mrs. Thiele and president Dick Beckloff, they produced skits for the student body to encourage more people to enter this field.

This is only for fun!

Debate Club

Members ready for lively debate.

Discussing and debating the problem of medicare was the task of our debate club this year. They entered debate contests throughout the year and added to it their skilled methods of debating. With the increased number of members this year, they have been able to discuss more with other schools and among themselves. In the future their advisor, Mrs. Finegan hopes to produce many new debators.

Varsity "R"

The Varsity "R", which was organized for the purpose of promoting good sportsmanship among athletes, has been active in sponsoring many events this year. To be eligible to join, a boy must have earned a letter in a varsity sport. Membership in the Varsity "R" should be a goal for every boy interested in athletics.

Lakeland Conference Tri Champs

Coach Jack Schumacher achieved his second consecutive Lakeland Conference title as the Rangers compiled a brilliant 16-3 record.

Balanced scoring was the key to the Rangers' success with all five starters averaging double figures. The Rangers were led by four seniors: Dave Dudik, Bob DiFranco, Paul Sweda and Gary Tomski. Bob Taylor, junior center, rounded out the starting five. Dudik and Tomski were named to the all-conference team, while Dudik and Sweda were named to the all-sectional tournament team.

Our science club this year has been very interested in developing the minds of their future scientists. They have done research in the new scientific methods and the great many missiles and rockets that have gone into space in the past year.

Under the direction of their advisor, Mr. Wanosik, and president, Bob Smith, they have been able to bring

us closer to science and its development by sponsoring the Science Fair. At this fair the students were able to bring out their scientific knowledge in their projects.

In future years the Science Club will help to give students interested in science a broader background of scientific principles.

Science is of interest to all students.
